

Chore Checklist

Load the Dishwasher

ALWAYS RINSE DISHES FIRST!

- Rinse off the glasses and put them in the top
- Make sure to empty the dishes out of the sink before the ones on the counters
- Put bowls on the top or around the sides of the bottom
- Rinse plates and put them in the bottom
- Rinse silverware and put it (eating side up) in the silverware holder
- Look on the counter to make sure you got everything that can fit
- Pans go in last (only if there is room)
